Part	Statement of Program Service Accomplishments Check if Schedule O contains a response or note to any line in this Part III
1	Briefly describe the organization's mission: Enriching seniors' lives through advocacy, diverse programming, and wellness and
	nutrition opportunities.
2	Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?
	If "Yes," describe these new services on Schedule O.
3	Did the organization cease conducting, or make significant changes in how it conducts, any program services?
	If "Yes," describe these changes on Schedule O.
4	Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others the total expenses, and revenue, if any, for each program service reported.
4a	(Code:) (Expenses \$ 183,293 including grants of \$) (Revenue \$ 117,551)
	Nutrition: Seniors West of the Tetons offers congregate lunches five days a week in the Senior Community Center (SCC) and
	delivers five meals a week to homebound seniors. Attendance at congregate lunches has averaged 46, with some lunches
	attracting more than 70 and special event lunches attracting over 100. Congregate lunches are open to non-seniors, and we have
	been pleased to see city workers, librarians, business people and families with children joining our seniors for lunch. Our meal
	deliveries to homebound seniors serve several vital functions in our rural area. While delivering meals, our volunteer drivers check
	on the well-being of isolated seniors and provide a welcome social contact. Our home meals include a weekly bag of food basics
	provided by the Teton Valley Food Pantry. Both the congregate and the home-delivery programs are supported by donations and
	by the Eastern Idaho Community Action Project. Our chef/kitchen manager not only prepares excellent meals that keep bringing
	people back, he also has instituted sound management practices for food ordering, menu development and food storage and
	handling. Most importantly, he and our other staff members devote a great deal of time to training and supervising volunteers. We
	now have a well-trained, skilled cadre of volunteers (the equivalent of three full-time employees) working as cooks, servers,
	dishwashers, delivery drivers, and receptionists.
4b	(Code:) (Expenses \$27,299 including grants of \$) (Revenue \$0)
	Wellness: Eight hours of fitness programing, including Tai Chi (2 hours), Yoga (1 hour), and Fit and Fall Proof (4 hours) and
	drumming for exercise (1 hour) are offered each week. In addition, we host clinics for blood pressure monitoring, vaccinations, and
	health screenings. Medical professionals visit regularly to discuss issues like mental health, diabetes prevention and management,
	nutrition, and heart health. All wellness programs are offered free of charge, though some volunteer instructors accept small
	donations. Fit and Fall Proof is sponsored by the Idaho Department of Public Health, which offers training and material support to
	volunteer instructors recruited by Seniors West of the Tetons. Since all these programs are offered by volunteers, the only cost to
	SWOT is an estimated facility fee for utilities, equipment, storage and other costs.
4c	(Code:) (Expenses \$97,495 including grants of \$) (Revenue \$1,250)
	Diverse Programming: Since the end of the Covid closure, our program offerings have really taken off, far exceeding the offerings
	prior to Covid. Regular recreational and social activities (bridge, mah jong, coffee klatsch, bingo), club meetings and craft
	workshops take place almost every day in the center or other facilities through partnerships with other non-profits and businesses.
	There are educational forums and entertainments, like the popular Pizza and a Movie series, several afternoons a week and the
	center hosts many community events in the evenings. Along with the daily fitness classes and lunch, all this programming makes
	SWOT a lively organization. Much of this development in programming is related to changes we have made in our facility and
	staffing. We have added upgraded or remodeled our facilities to accommodate a wide variety of events and programs, which
	supports our conception of the SCC as a genuine community center rather than just a dining room. This programming is facilitated
	by a full-time operations and programs director, as well as by our executive director, who spends approximately 70% of her time
	on program management. Our programming now extends well beyond the center. In early 2023, we were awarded \$32,000 in
	grants by local foundations to replace our decrepit bus. A "buy-a-seat" fundraising campaign raised another \$20,000 and with

	Advocacy, Communication and Outreach: Seniors West of the Tetons partners with our regional Area Agency on Aging to ensure services are available to keep seniors in their homes. We provide assistance with Medicare and other health insurance, federal and state taxes, access to health care, and general referrals to other services. This advocacy is channeled through our monthly print newsletter, which is mailed to over 550 seniors and community members, and regular online news updates. Our website and social media keep seniors informed about community happenings, senior center events and issues of concern to seniors, like Medicare enrollment and health care services. Our administrative data system, My Senior Center, allows us to make frequent and targeted contacts with seniors, to track their participation in activities and events, and to link them directly with services and programs of interest. Our volunteers constitute another crucial component in our advocacy and communication strategy. Whether it is at a meal delivery, fitness class or event, it is likely that a volunteer will be the point of contact between the organization and the client and will be the one to relay concerns and interests to our staff members.	58,497		0
	Hosting. In recent years, SWOT has been able to attract programming and services from other agencies, organizations and individuals through a policy of offering its facilities and programming assistance at a reduced rate to operations that engage or benefit seniors. The large dining room can be configured to seat 90 for a multimedia presentation and the tables can be moved to accommodate many different types of events and activities. A number of clubs and organizations (the quilters' guild, Alcoholics Anonymous, a children's choir, etc.) hold regular meetings in the Center. Other local non-profits often rent the facility for their conferences and events. These arrangements have proven mutually beneficial. The renting organization gets a highly functional space at an affordable rate and SWOT is able to offer in-house programming that would be otherwise beyond its means. SWOT's hosting extends to professional services for seniors, including Teton Valley VITA, a free tax preparation service, and Senior Health Insurance Benefits Advisors (SHIBA), which offers assistance with Medicare enrollments and claims. Having these services available in a familiar, face-to-face setting is a tremendous benefit to Teton Valley seniors, especially considering how limited and expensive equivalent professional services are in our area. Finally, we have developed several event partnerships, like the recent adventure travel series organized by a local individual. Although not all of these are directly aimed at seniors, seniors often make up the bulk of the audience. In this partnership arrangement, SWOT provides the facility setup and technical support, and the event organizer focuses on the event itself. Again, SWOT is making use of the systems and resources it has built in the last five years to leverage programs and services that we could not offer on our own. This broad hosting program has come with a cost. Facility rentals for private parties were once a major source of revenue for SWOT. By discontinuing these private rentals an	23,399		15,063
